

Climate conversations

...how do we change?

A year ago we asked for your views on how we can work together to tackle climate change. Since then SLDC has:

- Become the first council in Cumbria to declare a climate emergency
- Adopted a policy outlining how we aim to tackle climate change
- Drawn up an action-plan based on the ideas you put forward

Now we're **continuing the conversation**... and we're inviting you to **have your say** on how we can continue this work to tackle climate change and issues around biodiversity loss.

Please come along and share your ideas at a series of public meetings:

- **Tuesday 9 July** at Assembly Room, Town Hall, Kendal at 7pm
- **Thursday 11 July** at Coronation Hall, Ulverston at 7pm
- **Tuesday 16 July** at Victoria Hall, Grange at 7pm
- **Wednesday 17 July** at Marchesi Centre, Windermere at 7pm
- **Wednesday 24 July** at Lunesdale Hall, Kirkby Lonsdale at 7pm
