Local issues related to planning and development

The LDNPA is reviewing its planning policy document
– The Local Plan

We would like representatives from your Parish to come along to our Central and South East Distinctive Area event to discuss issues, pressures and opportunities to help inform the review of the Local Plan.

We would like to hear your views on:

- development pressure
- Issues that could be addressed through planning policy
- suitable sites for new housing/employment development.

The questions we would like your views on are on the rear of this flyer. If you are unable to send a representative but have views, please complete the questionnaire on the rear and return it to us.

Location:

Crook Memorial Hall

Date:

Tuesday 26 April 2016

Time:

7pm to 8.30pm

At this early stage we would like to hear views on these questions:

<p>Is there pressure for a particular type of development in your Parish that isn't being addressed through current policies?</p>	
<p>Are there any specific issues that need addressing within your Parish, such as environmental protection, renewable energy, community facilities?</p>	
<p>Are there any sites for development in your Parish which you consider acceptable, such as for housing and employment land?</p>	
<p>Do any of the issues you have identified at Parish scale apply to the wider landscape such as National Park / Cumbria scale?</p>	

Please return this questionnaire to: Strategy and Partnerships Team, LDNPA, Murley Moss, Kendal LA9 7RL
